

VIRTUAL COMMUNITY MEETING NOTICE

Oroville Dam Citizens Advisory Commission

The California Natural Resources Agency is hosting its 18th Oroville Dam Citizens Advisory Commission meeting.

The virtual public meeting will include presentations and public comment. Presentations will cover an update on winter operations preparation and forecast from the Department of Water Resources; also by DWR, an overview

of a recent joint, DWR-led State-local Oroville Dam emergency response training exercise; an update from the U.S. Army Corps of Engineers on its process to update the Water Control Manual, which prescribes day-to-day water flood control management for the Oroville Reservoir; and a commissioner-led presentation on how the Water Control

Manual relates to public safety, including perspectives on public safety-focused objectives for the update. The Citizens Advisory Commission is a forum for questions and feedback from communities surrounding Oroville Dam.
