

Annual Review of the State Water Project

Background

Water Code section 165 requires the California Water Commission to conduct an annual review of the construction and operation of the State Water Project (SWP) and to report its findings and recommendations to the Director of the Department of Water Resources (DWR) and the State Legislature.

At this meeting, Assistant Executive Officer Jennifer Ruffolo will present the draft of the 2019 Annual Review of the Construction and Operation of the State Water Project for the Commission's consideration and possible approval. If approved, staff will distribute the review to DWR and the Legislature.
