Subject: CWC Meeting 12/15/2021 regarding: Sites Reservoir, Pacheco, and Del Puerto Canyon-three dangerous dam projects

To whom it may concern:

Do not allow or permit the construction or enhancement of the Sites Reservoir, Pacheco, and Del Puerto Canyon dam projects.

They are environmentally destructive, and the costs exceed the potential benefits.

I am a native born Californian, living here all my life, with a degree in Agriculture from UC Davis.

Kind Regards,
