**Sent:** Tuesday, December 14, 2021 6:53 PM  
**To:** California Water Commission  
**Subject:** Proposed Dams

This email objects to the following dams:

Sites Reservoir-too dangerous and too expensive. Environmentally irresponsible and dangerous for the salmon.

Del Puerto Canyon- Taxpayer subsidized water and favors the privileged.

Pacheco Reservoir- At 2.12 billion it is too expensive for all the residents.

Please consider that surface water harms more than helps.

Thank you for your consideration,

Best,  
Suzanne Roberts
