

Legislative Update

Meeting Overview

At this meeting, Department of Water Resources Deputy Director, Kasey Schimke, will provide an overview of the 2023 Legislative Session thus far, highlighting water-related legislation being tracked by the Department of Water Resources.

This is an informational item.

Background

This agenda item is consistent with Goal One of the Commission’s Strategic Plan, which calls on the Commission to “serve as a primary public forum for the discussion of improving water management policy to assist regions in achieving climate resiliency, advise the Department, and inform the Governor and Legislature on selected statewide issues” by “gather[ing] information from individuals and organizations actively engaged in water policy and management issues” and by “conven[ing] panel discussions or presentations and invite public comment and discussion at Commission meetings.”
