

Water Storage Investment Program

Chino Basin Program Request to Increase
Early Funding Award Amount

Early Funding Under WSIP

- For the completion of environmental documentation and permitting.
- Capped at 5% of Maximum Conditional Eligibility Determination (MCED).
- Early funding is a portion of overall MCED.

Early Funding Request

- Inland Empire Utilities Agency was awarded early funding for the Chino Basin Program in 2021.
- Commission made inflation adjustments to projects in 2022.
- Initial request was for approximately 4% of MCED.
- IEUA is requesting increase to full 5% of revised MCED.

Current Early Funding Award	Current MCED	5% of Current MCED	Additional Early Funding Request
\$8,919,000	\$215,265,405	\$10,763,270	\$1,844,270

Commission Decision Options

- Increase the award for Early Funding.
- Keep Early Funding at current amount.

An aerial photograph of a large, calm water reservoir. The water is a deep blue color and reflects the sky. The reservoir is surrounded by rolling green hills. In the distance, several high-voltage power lines are visible against the horizon. The overall scene is peaceful and scenic.
