Please consider this communication as a rescission of the letter received by Contra Costa Water District (CCWD) on September 6, 2024, regarding Agreement 4600012892 by and between the California Water Commission (CWC) and CCWD. When the letter was sent, Commission staff believed CCWD met all of its obligations under the agreement. However, the timing of the direction given at CCWD's Board of Directors meeting on September 18, 2024 to develop an approach to end CCWD's participation in the Los Vaqueros Reservoir Expansion Project gave staff pause. I am conducting an in-depth review of the agreement's provisions and related CCWD documents and staff communications. Once that review is complete, I may reach out to you with additional questions or concerns.

If you have any questions or need additional information, please contact me at (916) 820-7599.

Sincerely,

Holly Geneva Stout
