Project Title: Salton Sea Species Conservation Habitat Project

Project Applicant: N/A

Project Location (include county): Imperial and Riverside Counties

**Project Description:**

This addendum updates the Salton Sea Species Conservation Habitat (SCH) Project Final Environmental Impact Statement/Environmental Impact Report (EIS/EIR) finalized in August 2013, to include the State's Salton Sea Management Program - Phase I: 10-Year Plan (10-Year Plan). The 10-Year Plan identifies a sequence of habitat and dust control projects around the perimeter of the Sea consistent with the SCH Project preferred alternative. The addition of these changes would not have any significant environmental impacts beyond those already addressed in the SCH EIS/EIR or cause a substantial increase in the severity of previously identified significant effects.
