Prevent the spread of invasive mussels

CLEAN your gear, boat, and trailer before leaving the area. Remove plants, animals, and mud. Dispose of unwanted bait and debris in the trash.

DRAIN bilge, ballast, wells, and buckets before you leave the parking area, and never drain back into the waterway.

DRY equipment before launching into another body of water. Waiting periods can vary – check with your local waterbody.

Display your **DMV Registration** and **Mussel Fee Stickers** on the hull
