

<b>Annual Review of the State Water Project</b>
---

**Background**

The Commission is responsible for the completion of an annual review of the construction and operation of the State Water Project, and making a report on its findings to the Director of the Department of Water Resources and to the Legislature, with any recommendations it may have (WC §165).

Executive Officer Sue Sims will present a first draft for Commission consideration, and discuss the process and timeline for completing this task by the end of this calendar year.
