Proposed text of section 597.1(i) by the Federal Water Contractors

§597.1(i)- An agricultural water supplier subject to the Central Valley Project Improvement Act (CVPIA) (Public Law 102-575) or the Reclamation Reform Act (RRA) of 1982 shall be deemed in compliance with §597.3 (a) of this article if all irrigation water delivered by that water supplier to each customer is delivered through measurement devices that meet the United States Bureau of Reclamation accuracy standards defined in 2011 Standard Criteria as specified in Reclamation's Water Management Planner. All other provisions of this article shall be complied with and reported in the agricultural water supplier's Water Conservation Plan as an Addendum to the plan when submitted to DWR pursuant to Water Code §10828.
