

**PREPARED FOR THE CALIFORNIA WATER COMMISSION
AMENDED RESOLUTION OF NECESSITY
DEPARTMENT OF WATER RESOURCES (DWR) STAFF REPORT – ENCUMBRANCES
March 20, 2013**

RON No.: 2011-11
Adoption Date: November 16, 2011
Project: Geotechnical Activities in support of the Bay Delta Conservation Plan (BDCP)
APN: 156-0030-018-0000
DWR Parcel No.: DCAP-207
Owner(s): Steve Mello and Ann Marie Mello, Trustees of the Steve and Ann Mello Family Trust
Rights to be Acquired: Permanent Non-Exclusive Easement, Temporary Construction Easement, and Temporary Access Easement

AMENDMENT PURPOSE

The purpose of this amendment is to include additional findings in the Resolution of Necessity regarding the impacts of the acquisition on the existing encumbrances as identified in California Code of Civil Procedure Sections 1240.510 and 1240.610.

“Any person authorized to acquire property for a particular use by eminent domain may exercise the power of eminent domain to acquire for that use property appropriated to public use if the proposed use will not unreasonably interfere with or impair the continuance of the public use as it then exists or may reasonably be expected to exist in the future. Where property is sought to be acquired pursuant to this section, the complaint, and the resolution of necessity if one is required, shall refer specifically to this section.” California Code Civil Procedure Section 1240.510.

“Any person authorized to acquire property for a particular use by eminent domain may exercise the power of eminent domain to acquire for that use the property appropriated to public use if the use for which the property is sought to be taken is a more necessary public use than the use to which the property is appropriated. Where property is sought to be acquired pursuant to this section, the complaint, and the resolution of necessity if one is required, shall refer specifically to this section.” California Code Civil Procedure Section 1240.610.

PARCEL INFORMATION

Detailed Parcel Description: Located in an unincorporated area of Sacramento County, the subject property is adjacent to the Mokelumne River and is south of Walnut Grove. The property is a polygonal shape consisting of 355.99 acres. Currently, the property is planted to irrigated field crops and is irrigated via the flood method. The property is along Tyler Island Road which is a two-lane county maintained road servicing the area.

Current Use: Agriculture – Irrigated Field Crop
