Model Water Efficient Landscape Ordinance
July 9, 2015 (Draft to the California Water Commission)

Page 7, § 491, Definitions

July 9th draft: Definition of parkway inadvertently deleted.

Change: add back definition of parkway from June 12th edition

Corrected: “parkway” means the area between a sidewalk and the curb or traffic lane. It may be planted or unplanted, and with or without pedestrian egress.
