

Action Item: Begin Formal Rulemaking Process for WSIP Draft Regulations

Background

In order to implement Chapter 8 of Proposition 1, the Commission is developing the Water Storage Investment Program (WSIP). The Commission must develop and adopt regulations for the quantification and management of the public benefits of water storage project. The Commission will decide whether to direct staff to submit the WSIP draft regulations, posted on its website, along with any minor modifications approved by the Executive Officer, to the Office of Administrative Law for publication in the Notice Register, pursuant to Government Code section 11346.4. This is an action item.
