

**Sustainable Groundwater Management Act Implementation: Presentation of Draft
Groundwater Sustainability Plan Regulation Concepts**

Background

The Sustainable Groundwater Management Act requires the Department of Water Resources (DWR) to develop and adopt emergency regulations for evaluating and implementing Groundwater Sustainability Plans (GSPs) by June 1, 2016. The Commission was last briefed on progress on the GSP regulations at its January 20, 2016 meeting. At this meeting, DWR staff will provide an overview of the content and concepts contained in the draft GSP regulations. This is an informational item.
