

**Public Hearing on Regulations Regarding the Water Storage Investment Program and
Commission Guidance to Staff on Proposed 15-day Changes to the Regulation**

Background

Consistent with the requirements set forth in Government Code section 11346.8, the Commission will conduct a public hearing regarding the proposed adoption of California Code of Regulations, title 23, new article 1 which contains new sections 6000, 6001, 6002, 6003, 6004, 6005, 6006, and 6007. The proposed regulation for the quantification and management of the public benefits of water storage projects was released for public comment on January 29, 2016. During the hearing, oral and written public comments will be accepted on the proposed regulation. In addition, staff will propose changes for Commission consideration. Upon direction of the Commission, an updated version of the regulation will be released for a 15-day public comment period, consistent with Government Code section 11346.8.
