

Sustainable Groundwater Management Act Implementation: Update on All Comments on Draft Groundwater Sustainability Plan (GSP) Regulations and Presentation of Final Draft GSP Regulations

Background

The Sustainable Groundwater Management Act requires the Department of Water Resources (DWR) to develop and adopt emergency regulations for evaluating and implementing Groundwater Sustainability Plans (GSPs) by June 1, 2016. DWR held a public comment period on the draft GSP regulations between February 18 and April 1, 2016. At this meeting, DWR staff will provide a summary of comments received during the full public comment period and summary of proposed revisions to the regulation. This is an informational item.
