

**Update on Program and Administrative Activities for the
Water Storage Investment Program (WSIP) and Briefing on WSIP Concept Papers**

Background

In order to implement Chapter 8 of Proposition 1, the Commission is developing the Water Storage Investment Program (WSIP). Commission staff will update the Commission on the status of technical work, and other programmatic and administrative issues pertaining to implementation of the WSIP. In addition, Commission staff will brief the Commission on project Concept Papers received from potential applicants during the Concept Paper solicitation period. The Concept Papers will help refine the WSIP process and will assist project proponents in determining the potential eligibility of their proposed projects. This is an informational item.
