

Action Item: Sustainable Groundwater Management Act Implementation: Consider Adoption of Final Draft Groundwater Sustainability Plan (GSP) Regulations

Background

The Sustainable Groundwater Management Act requires the Department of Water Resources (DWR) to develop and adopt emergency regulations for evaluating and implementing Groundwater Sustainability Plans (GSPs) by June 1, 2016. DWR staff previously briefed the Commission on the content of the regulations and potential changes resulting from public comments. At this meeting, DWR staff will present the Final Draft GSP Regulations for Commission consideration and adoption.
