

Action Item: Designation of an Acting Executive Officer

Background

The Commission employs an Executive Officer with the authority to manage and approve administrative functions such as hiring and management of staff, administering the budget, executing contracts, and other actions.

The current Executive Officer will be leaving her position effective July 1, 2016. The Commission may vote to appoint an Acting Executive Officer to administer and manage the day-to-day operations of the Commission, under the general guidance and at the pleasure of the Commission, until such time as the Commission hires a permanent Executive Officer under Water Code §163 or designates another person to be Acting Executive Officer.
