

**Update on Program and Administrative Activities for the
Water Storage Investment Program (WSIP)**

Background

The California Water Commission is developing the Water Storage Investment Program (WSIP) and regulations for the quantification and management of the public benefits of water storage projects in order to implement Chapter 8 of Proposition 1. At this meeting, Commission staff will update the Commission on staff work on the WSIP and review an updated schedule for development and adoption of the WSIP Quantification Regulations. This is an informational item.
